Claim Rejection under 35 U.S.C. 112, first paragraph

Claims 7,9-12,15 are rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention.

Claims 7,9-12,15 are rejected under 35 U.S.C. 112, first paragraph, because the specification, while being enabling for synergistic combinations in Declaration file 7/22/02, does not reasonably provide enablement for all other combination comprising cyproconazole not in Declaration. The specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make / use the invention commensurate in scope with these claims.
